The Rosedale Tattler is a publication of the North Rosedale Park Civic Association. Established in 1924, the North Rosedale Park Civic Association is a community organization that promotes the interests and welfare of North Rosedale Park residents, maintains park facilities for community use, advocates for necessary public improvements, and enforces building restrictions and ordinances within North Rosedale Park.

Letter from President Hubert Sawyers III

How often does this happen to you?

knock-knock

Who's there?

Your neighbor.

No, really. Who is at my door?

Hi, I'm [insert name here] and I live on [pick a street in North Rosedale Park]. I just wanted to say hello.

For those of you who have experienced this, how do you react?

The stories I have heard from neighbors vary quite a bit. Some were delighted when this happened to them; others were slightly upset by the unsolicited visit.

When we moved into the neighborhood over two years ago, we had this experience a few times. Our initial perplexed states quickly shifted to deep appreciation each time it happened.

I am hoping to see this type of activity increased across the neighborhood.

There are several committees and ad hoc units associated with NRPCA, which aim to help increase intra-neighborhood engagement. Our block captains take a grassroots approach, resulting events like the recent New Neighbor Dinner. Our membership committee has been getting out reminders for NRPCA dues in the mail and by phone. Much of the success of these activities are made possible with people being open enough to knock on their neighbor's door and saying hello.

Maybe you know, maybe you don't: North Rosedale Park Civic Association primarily sustains itself in two areas, Community House rentals and NRPCA memberships. Renting is an art we are still trying to master. Memberships used to be higher 10-15 years ago. There was a steady decline for a while, but we have been able to turn the tide. We still need a lot more participation.

I am not going to use this letter to implore any non-member reader to contribute to dues. If anything, I would prefer to chat about why you may have not joined. Now if you read this and want to mail a check, I thank you in advance.

If you have not an NRPCA member and you are reading this, I would love to hear from you.

Hi, I'm Hubert and I live on Warwick. I just want to say hello and get acquainted. Please contact me at President@NorthRosedalePark.org or 313.451.0808. You can find me at Always Brewing Detroit on most Thursday evenings.

ROCKSTAR RECOGNITION

Special thanks to **Julie Hacker, Tamara "TK" Kamara, Amy Goode, and Mary Davis** for executing another June Day. If not without you, we may not have had an 84th. Thanks so much for your commitment to maintaining our neighborhood's more storied event. I look forward to the 85th.

Thanks to the June Day volunteers. You all are ace in my book. There are too many to mention in my column, but you all will be recognized publicly.

Hat tip to all the young families I met at June Day, especially the ones who were eager to get more involved in the community. Make sure you dial into your Tattler. There will be more information about such opportunities soon.

Congrats to Grandmont Rosedale Development Corporation for serving our region for 25 years. And thanks Greening of Detroit for their donation of commemorative trees for GRDC, which were planted around the neighborhood.

Behind the Footlights

By Roger Loeb

On June 8, Park Players celebrated the end of another successful theatrical season. Over 50 people attended the annual cook-out including many of the cast and crew from *Guys and Dolls*. Special thanks go to Marcia Closson, Mary Davis, and Carly Matkovich for providing the basic foodstuffs, and to Lavonne Thomas for making the Community House look festive.

Sarah Hedeem, the director of our fall show, *ALICE THROUGH THE LOOKING GLASS*, presented her vision of the upcoming production. It will include music, movement, and much merriment. She encouraged everyone 12 years of age and older to audition on Sept. 3 or 7. We will have more audition information in the August Tattler so that you can be thinking about any special characters for which you would like to try out.

Gary Baldwin discussed the Capital Campaign and the exciting plans for our North Rosedale Park Community House. This project, under the

leadership of Marsha Bruhn, is getting close to reaching its fund-raising target for Phase I of the project.

While Park Players will celebrate a brief hiatus from rehearsing shows during the summer, plans for *ALICE* will move ahead. In July, there will be a meeting of creative minds to develop ideas for costumes, sets, and props. The director and the assistant director will continue their search for iconic scenes to be borrowed from *ALICE IN WONDERLAND* to weave into the structure of *ALICE THROUGH THE LOOKING GLASS*. If you are interested in participating in this show in any fashion, please contact the producer, Tamara Kamara (TK) at: tamarakamara@gmail.com. We welcome everyone. Park Players is your community theater.

THANK YOU JUNE DAY CAFÉ VOLUNTEERS

First a big THANK YOU to all of the neighbors who donated a little or a lot of food and supplies. You helped us clear nearly \$600 in food sales during the afternoon.

THANK YOU to the Café volunteers!!!! These brave and hearty souls helped set up on Friday, held down the fort in the kitchen on June Day, grilling and wrapping and serving, and helped clean up at the end of the day. A big shout out to grill master, Sean Davis. This NRP alum comes back every year to grill

on June Day. He was ably assisted by relief griller, John Porth. Friday's set up crew was Sue Steigerwalt, David Buckley, Roger Loeb and Judy & Mark Barkey—thank you!! Keeping things running smoothly, with my undying thanks, on Saturday was Marcia Closson, Candy Doggan, Roger Loeb, Bruce Abe, David Buckley, Christie Peck, Nancy Dreisbach, Darlene Harris, Betty Johnson, Kamilah Henderson, Tom & Chris Ridgway, Marilyn Porth, Sue Steigerwalt, Gavin Buckley and

Hubert Sawyers. Thanks, also, to the Vaughn kids for the lovely menu signs. Can't forget Nicole Daniels and Michael Matrescu who always go above and beyond to make things easier for us.

Finally, an enormous shout out and THANK YOU to June Day co-Chairs, Julie Hacker and Tamara Kamara, without whose blood sweat and toil this day wouldn't have happened.

Run for the Roses, 2014!

Another perfectly beautiful, cool morning for a run in the park! Friends and neighbors, kids and adults showed up before 8:00 am prepared to challenge themselves and each other, and volunteers stepped up to make it all possible—what a way to kick off June Day, 2014! The two courses—the one mile, circling the park twice, and the 5K, winding through the tree- and flower-lined streets of North Rosedale Park—were, as always, the highlight of the morning and with the neighborhood flora a treat for all to take in as they ran. Participants expressed appreciation for the privilege to participate in a real road race in their own neighborhood.

HIGHLIGHTS OF THIS YEAR'S RACE INCLUDED:

- Thanks to Marilyn Morehead's re-measurement of the 5K course in 2012, and Ray Tchou's re-measurement of the one mile this year, both courses are reliably accurate! The one-mile course, we discovered, is nearly a full block longer than twice around the park, so we declared this year's winners the new record-holders for the newly accurate one-mile course!
- Seventeen walkers/runners, ranging in age from 6 to 73, participated, with 11 in the one-mile, 9 in the 5K, and three who did both courses!
- The consistent winners of both races in recent years in the male category, Roger Weekes and Justin Finkel, were not able to come this year, opening up the field to this year's male winners: Bill Davenport in the one-mile and Tom Ridgway in the 5K!

- Anthony Vega, age 6, inspired us all with his first-time run, finishing the one-mile in only 9:56!
- In the female categories, Corinne Vaughn, age 13, thrilled the crowd with her one-mile overall win, and Avanna Gouch came in just a minute and a half behind the male winner in the 5k and nearly 3 minutes ahead of her closest competitor.
- Expenses were negligible due to simplified awards and leftover supplies from past years, such that the event just over \$100 for our community!

Our races could not happen without the awesome volunteers who turn out before 7:30 am to ensure the runners' safety, mark the course clearly and accurately, set up a water station for midrace, time the runners, and provide post-race refreshments. Special thanks to Ray Tchou who kindly agreed, after being recruited at the last minute, to ride his bike to lead the runners; Judy Barkey who performed the critical task of recruiting volunteers; Meredith Drain and Candy Duggan who ably handled registration and processing of finishing times; and the entire volunteer crew! They are:

- Judy Barkey
- Carolyn Cathey
- Meredith Drain
- Candy Duggan
- David Finkel
- Duane Fuselin
- Eddie Hejka
- Mary Madigan
- Marilyn Morehead
- Carol Olsen
- John Royal
- Ray Tchou

The overall winners this year were:
ONE MILE (*setting new course records with longer, more accurate course!*)

Female winner: Corinne Vaughn
7:22

Male winner: Bill Davenport
7:49

5K (3.1 miles)

Female winner: Avanna Gouch,
age 26, 28:49

Male winner: Tom Ridgway,
age 50, 26:38

*Course records reflect available records, dating back to 2003:

(*One mile course records, new this year, see above*)

5K course records, since 2003, are:

Female: Becky Dewey 23:08 set in 2006

Male: Roger Weekes 17:34 set in 2007

Other runners/walkers included, in order of finishing

ONE MILE: Katherine Vaughn, India Davis, Anthony Vega, Kyara Burch, Grace Gordan, Pamela Swift, Vera Loggin, John Royal, Andrew Benigna

5K: Bill Davenport, Vera Loggins, Pamela Ann Swift, Sophia Vaughn, Erme Gouch, Marilyn Morehead (*Jailynn Knight made a valiant effort but was sidelined by an injury before finishing*)

Congratulations to the winners, to all of the participating athletes, and thanks again to our awesome volunteers who once again made the race possible.

GRDC CELEBRATES 25 YEARS!

On Saturday, July 12, Grandmont Rosedale Development Corporation is throwing a 25th Anniversary picnic for all residents in the Grandmont Rosedale neighborhoods. The picnic, which will run from 11:00 am to 3:00 pm at Ramsay Park in the Grandmont neighborhood, is GRDC's way of saying thank you for 25 years of support, encouragement and dedication.

Twenty five years ago, GRDC was an all-volunteer organization working on the renovation of its first house. Today, GRDC is one of Detroit's most accomplished community development organizations with such diverse programs as housing renovation, commercial revitalization, home repair assistance, a farmers' market, streetscape improvements, park renovations, a safety program, a beautification program, and ongoing support of the neighborhood associations.

With such hard work, we need to celebrate big! The food, games, raffles and fun are free for residents. Bring your kids, your appetites, and your neighborly spirit. For more information, or to get your free ticket for the anniversary celebration, contact Mary Lyons at mlyons@grandmontrosedale.com, or call 313-387-4732, ext. 116.

ENTREPRENEUR TRAINING GEARING UP FOR SECOND ROUND THIS FALL

Early this spring, twelve Grandmont Rosedale based entrepreneurs were accepted to the GRDC's first ProsperUS Detroit entrepreneurial training class. Participating businesses represented industries ranging from health and wellness to fashion design to marketing and public relations. As a result of this course, one business has already created 10 new jobs in the neighborhood.

Over the course of the 12-week training program, students develop a business plan, receive 10 hours of follow up one-on-one training, and upon graduation become eligible to apply for loans and technical assistance. A second round of training will be held this fall for another dozen entrepreneurs.

To learn more about the second ProsperUS class beginning in Grandmont Rosedale this fall, interested entrepreneurs should attend an informational meeting on Tuesday, August 12th from 6-8 PM at the GRDC offices, 19800 Grand River. For more information, or to RSVP for the August 12 informational meeting, contact Kirsten Donoghue, kdonoghue@grandmontrosedale.com or 313-387-4732, ext. 120. You may also visit the GRDC web site at www.grandmontrosedale.com or the ProsperUS Detroit web site at www.ProspierUSDetroit.org

Come and learn about this community-driven initiative that prevents crime, increases collaboration between law-enforcement and citizens, and fosters a strong sense of community.

Through a partnership with the Detroit Police Department (DPD), radio patrol groups across the city have been supported for crime prevention efforts since 1967. Radio Patrol provides a unique opportunity for residents to deter crime on their own streets through active observation.

This event is free and open to the public. Light refreshments will be provided. Please RSVP to Kiana Miller, Community Security Coordinator by email at kmiller@grandmontrosedale.com, or by phone at 313-387-4732, ext. 109.

The most recent donation of \$10,000 came from Quicken Loans.

WE NEED YOU!

With a goal of \$750,000 for Phase One, organizers are encouraging North Rosedale Park residents to give to the effort and help raise the additional \$100,000 needed. By now, residents should have received information about the Legacy Project in the mail.

“We are hoping that our residents have a sense of pride and ownership and donate to this very important effort,” said Marsha Bruhn, Steering Committee Chairperson. “More than 125 of our neighbors have already said yes and made a pledge. I am hoping that all 1700 households in the Park donate something. After all, no gift is too small. Every dollar counts towards our goal of a September groundbreaking.”

To contribute, residents can complete and mail the pledge form included with the Legacy Project letter they received in the mail. Donations also are being accepted online at www.northrosedalepark.org.

In addition to making a donation, residents can participate by:

- Hosting a house party and inviting their neighbors and friends to hear about the Legacy Project
- Serving as an ambassador by sharing information about the Legacy Project at neighborhood meetings or community events

Funds raised during Phase One will be used to:

- Construct a 2100-square-foot addition on the south side of the building with a larger lobby and new entrance off of the parking lot
- Build new handicapped-accessible restrooms
- Enlarge the office
- Create a welcoming patio
- Upgrade the parking lot for the relocated Northwest Detroit Farmers' Market
- Improve lighting and electrical systems and add Wi-Fi

For more than a year, leaders and supporters have worked behind the scenes sharing the Legacy Project with potential major donors and applying for foundation and government grants.

As fundraising efforts continue, Legacy Project leaders have already hired a pre-construction manager and continue to work with architect Gus Pappas to refine the construction and site plans.

In addition, the City of Detroit recently awarded a \$248,000 Community Development Block Grant to North Rosedale Park to install an elevator and fire-proof stairwells in Phase Two of the project.

Invest in a Community. Impact a City. Give to the Legacy Project Today!!!

For more information on the Legacy Project or to make a pledge, go to the NRPCA Web site at www.northrosedalepark.org or contact Marsha Bruhn at (313) 400-1192 or via email at marshabruhn@yahoo.com.

What is the Legacy Project of North Rosedale Park?

For nearly 75 years, the North Rosedale Community House and the seven-acre park surrounding it have been the focal point of our community. As with any building, time has taken its toll on the Community House. In order to address many of structural problems and the need to update the facility, the Legacy Project of North Rosedale

Park was created. Funds raised will correct structural problems – sinking floors, electrical and plumbing issues, and handicap accessibility – and enhance activities by creating a new lobby, expanding the parking lot, installing additional lighting, and renovating the patio.

North Rosedale Park eBlast Newsletter

aka: **Rosedale Tattler eBLAST EDITION**

This April marked the beginning of the **Rosedale Tattler eBLAST EDITION**. An electronic newsletter designed to supplement the printed version of the Tattler will be distributed via email. The eBLAST EDITION is not intended to replace the printed Tattler, but to provide vital and interesting news, information and reminders that sometimes miss the Tattler deadline (the 10th of each month). The eBlast should arrive in your email around the 3rd week of each month so as to meet this objective. In order to receive the eBlast **you must be on the "list"**. However, it is really easy to sign up for the list by visiting the homepage of the North Rosedale Civic Association at <http://NorthRosedalePark.org> and pushing the big red subscribe button. **Get yourself signed up today so**

that you will be in the know! The exception to this requirement is that we have seeded the list with a number of email addresses that we have from our membership roster so your name may be on the list already. If you're not sure you can still push the subscribe button as the same email address will not be signed up twice. If for some reason you do not wish to be subscribed there will be a link at the bottom of each newsletter that may be used to unsubscribe. In case you want to be sure that this newsletter does not fall into your junk mail folder, be sure to just add the newsletter sender to your address book. You are encouraged to send articles for publication to the eBlast editor: eblast@northroosedalepark.org.
