PROCESS...PROBLEM SOLVING...POSSIBILITIES.

This is what January and the new NRPCA board bring to North Rosedale Park. We are honored and delighted to serve you as a community. We also want to motivate you to work with us and volunteer with us in your neighborhood and on your block to make this the best neighborhood and neighborhood organization in Detroit (or maybe Michigan - why not a stretch goal?)

One way to keep a community strong is to **shop in your neighborhood!** Check out these local businesses who just love for you to stop in: there's Just a Bit Eclectic Tea Shop, 19015 McNichols; Knudson's Bakery, 18601 McNichols; Always Brewing Detroit, 19180 Grand River - now with the Pages Bookstore; Hollywood Hosiery, 18722 Grand River; Hardware Express, 18450 Grand River; Rosedale Community Pharmacy, 19220 Grand River, and of course keep an eye out for the great variety of Pop-Up businesses in the Grand River WorkPlace, 19120 Grand River. A strong community needs a strong commercial community too!

Of course attending community events at our Community House is a terrific way to keep North Rosedale Park a wonderful neighborhood. There are music and social events at the Community House all through the year! There are even great ways to get and stay healthy in. Gloria Goodwine, our programming committee chair, has started a twice weekly walking group, there is also Akido and Zumba at our Community House with nutrition and cooking classes in the works!

So what is on tap for 2015?

The Rosedale Tattler is a publication of the North Rosedale Park Civic Association. Established in 1924, the North Rosedale Park Civic Association is a community organization that promotes the interests and welfare of North Rosedale Park residents, maintains park facilities for community use, advocates for necessary public improvements, and enforces building restrictions and ordinances within North Rosedale Park.

COMMUNICATION

We are currently working on a new and improved website and eblast- and hopefully other ways to communicate. The Tattler, thanks in large part to editor Tom Ridgway, will focus on local businesses and each month there will be a column about what membership means to neighbors in North Rosedale Park.

FUN RAISING/FUNDRAISING

A Valentine's Day evening of Jazz and Dancing is planned for Friday, Feb. 13, (check out the ad elsewhere in The Tattler). We are hoping to hold multiple Friday night musical events, so keep an eye out for those. We would love to get a big North Rosedale Park crowd at a Tiger game in May and a river cruise in August. We are even thinking of starting a dinner club. All of these events are in addition to June Day, the Steak Roast, the Friday, March 20 Park Players/NRPCA benefit performance of "The Addams Family" (call 313-835-1103 for tickets). We also hope to schedule a spring concert and a reverse raffle and gala evening. Wow! As you can see, we have some great plans for 2015! Be sure to read your Tattler and sign up to receive the twice monthly Tattler eblast so you don't miss out!

The Community House Upgrades and Capital

Campaign are moving forward. A recent grant, thanks in large part to the hard work of Marsha Bruhn, assures that cosmetic upgrades to the inside of the Community House can start in March, with outside work on the addition to begin in April or May, depending on the weather.

While our plans are ambitious, there is evidence that the events planned will be terrific successes. The turnout for the January 9 for the election was excellent! Part of the reason had such great attendance was due to residents encouraging their neighbors to come. Clarenda Webb, for instance, mobilized the block captains and encouraged just about everyone she saw to attend, and it worked! Our Member Dinner and the Steak Roast in 2014 were better also attended than in recent memory all due to neighbors talking to neighbors. So, you see, North Rosedale is an active, vibrant community, and **we want to do even better in 2015**. Thank you, neighbors, for all you do and being part of this community.

- Susan Steigerwalt

NORTH ROSEDALE PARK RESIDENTS Have You Paid Your 2015 Civic Association Membership?

We need every resident to pay their association dues! The North Rosedale Park Civic Association depends on your dues to support the jewel of our neighborhood, the Community House and grounds. We are the only neighborhood in Detroit that owns such a wonderful place for residents to gather, children to play, and neighborhood issues to be discussed. But the building and the grounds can't support themselves. While we generate a fair amount of revenue from the rental of the Community House, the dues provide the backbone of our finances.

As a dues paying member of the NRPCA, you are part owner of the Community House and grounds and we desperately need your support. Take responsibility for contributing your financial share to keep our community alive.

Little League Sign-Up Coming Soon!

Calling all boys and girls! It's time to sign up for Rosedale-Grandmont Little League. Open to kids ages 4-16, this neighborhood instructional league has teams in several divisions, including t-ball, coach pitch, junior baseball and junior softball, senior baseball and senior softball.

Behind the Footlights

By Roger Loeb

"Aaaahh...The intoxicating smell of the graveyard. Once a year, we gather beneath our Family Tree to honor the great cycle of life and death. Come, every member of our clan - living, dead - and undecided - and let us celebrate what it is to be an Addams.

So begins this deliciously macabre tale of the endearing *ADDAMS FAMILY*. Along the way, we will answer several critical questions: Will the course of love run true for Wednesday and Lucas? Will Pugsley release sister Wednesday? Will Gomez get caught in his deceit? Will Morticia forgive? Will Grandma get everyone stoned? Will Fester's love ever be returned? Will Lurch speak?

These and other mysteries will be resolved through such timeless and memorable hit tunes as: When You're an Addams, Trapped, Pulled, One Normal Night, Secrets, What If, Crazier than You, and Full Disclosure. Can't wait? Escape the winter doldrums. Call Marcia Closson (313-835-1103) for complete ticket information and reserved-seat reservations. Show dates are March 13, 15, 20, 21, 22, 27, 28 and 29.

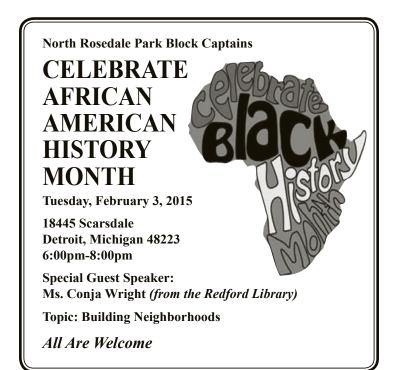

You will discover many new faces in this production (though I have it on good authority that nearly all members of the Salvation Army Band have returned, albeit in a somewhat more decayed form). Here's your North Rosedale Park Players' cast list for *THE ADDAMS FAMILY*.

Addams: Jonathan Jones (Gomez), Sabrina Hubbard (Morticia), Rachel Ogger(Wednesday), Mitchell Hardy (Pugsley), Anthony Petrucci (Fester), Lisa Brawley (Grandma), Mark Steinhauer (Lurch), Reese Malone (Cousin Itt).

Beinekes: Kyle Sammy (Lucas), Len Fisher (Mal), Jeannette Steinhauer (Alice).

Ancestors: Archie Lynch III, Ben Wright, Brandi Steele, Brittney Calloway, Debra Holmes, Deirdre Scott, Diona Roberson, George Evalt, Kamry Gilbert, Kyla Thompson, Linda Witherspoon, Liz Dickson-Sanders, Roger Loeb, Sadie Bernice, Theresa Chapman.

Grandmont Rosedale, Home to the Jim Dandy Ski Club: The Oldest African American Ski Club in the U.S.

In 1958, three young Detroit men established the first African-American ski club in the United States. These men had skied before, but wanted to include after-ski activities where African-Americans would feel welcome. The wrote up a constitution, and named their ski club the "Jim Dandy Ski Club of Detroit" after rhythm and blues singer Lavern Baker's hit song "Jim Dandy to the Rescue." When these men put the call out this first year to see if others were interested in joining the Jim Dandy Ski Club, 23 people signed up. Their numbers continued to grow as did their activities and fellowship. Ebony magazine featured the ski club in 1962, which lead to Jim Dandy receiving more letters from people interested in their ski club than they could easily respond to. In 1964 about 50 Jim Dandies arrived in Denver, Colorado to ski. This was the first large gathering of African-American skiers in the United States. These Dandies also pooled their funds to support an aspiring African-American skier headed to the coming winter Olympic Games. Over the years, over 200 African-American ski clubs formed around the United States.

Detroit's Jim Dandy Ski Club became a charter member of the National Brotherhood of Skiers in 1972 and in 1973, the Jim Dandy Ski Club had become so popular it chartered its own airplane and sponsored the first "Summit" meeting of all the ski clubs in Hawaii. This Hawaiian Luau Night did not involve much skiing, but it did mark the beginning of a yearly summit of African-American skiers who have met in Europe, Canada and the U.S. This summit has gathered as many as 7000 skiers and snowboarders of color.

Jim Dandy member and president Alfred Cureau is the keeper of much of this history. Alfred's involvement with the Jim Dandies began in 1995 when a coworker invited Alfred to join her on a MLK memorial ski trip with the Jim Dandies to Canada. Alfred went because "it was something different to do and some other friends were going." He wasn't much of a skier in the beginning, but he learned "on the bunny slopes" with some others in the group. The Jim Dandies encourage anyone to start skiing at any age. According to Alfred, there are adults in the

group "from 50-92.". One member started skiing at 66 and skied until he turned 90! There is a yearly dues, an 11 person board and monthly meetings where trips are planned and activities organized. It's become much more than skiing for Alfred. The 200+ members of the Detroit Jim Dandy Ski Club have expanded their activities to include the formation of an Alpine Racing Team, youth activities, and even non-skiing activities such as camping, kayaking and white water rafting. Alfred enjoys organizing and participating in these activities because he "enjoys the relationships and friendships he has with people in the club."

If you're wondering how to get involved or where these Jim Dandies meet, you don't have to look far. They've been meeting once a month from September to May at the North Rosedale Park Community House, 18445 Scarsdale since 1992. Let Alfred know that you're interested in learning more about the Jim Dandy Ski Club at acureau@peoplepc.com. You can also check out their website at http://www.jimdandyskiclub.com/

Shaftsbury Residents Host Annual Progressive Dinner

By Mary Ramsey

Traditionally, residents of Shaftsbury Avenue, between McNichols and Bretton Drive, meet, greet and dine the second Saturday in January, for their annual "walking" progressive dinner. This year's committee members, Marsha Bruhn, Kenneth and Rubbie Gabriel, Wells Hale, Mary Ramsey and Oscar and Theresa Wallace, planned the menus, distributed flyers and acquired the four host homes. Participating residents paid a small fee and provided appetizers, vegetables, and desserts to assure a rich and plentiful dinner.

Participants of the January 10 progressive dinner enjoy the camaraderie of the group.

The Legacy Project

of North Rosedale Park

Invest in a Community • Impact a City

Support for The Legacy Project Continues to Grow

By Rose Love

The new year began with more good news for The Legacy Project of North Rosedale Park as two foundations awarded a total of \$29,000 to the effort. The Davidson Foundation contributed \$5,000 for operations, and the Michigan Council for Arts and Culture awarded \$24,000 to the North Rosedale Park Civic Association for interior improvements at the Community House.

The interior improvements are expected to begin in the next couple of months and timed to avoid interfering with the Park Players' spring production of "The Addams Family" or other scheduled activities. Members of the Architectural Review Committee are considering options for upgrading the electrical system; improving the overall appearance of the Main Hall with wall treatments, painting and refinishing the floor; adding energy-efficient lighting; improving acoustics and the sound system;

and expanding Wi-Fi access. The Board will make the final decisions.

Although fundraising for Phase One exceeded the goal, organizers are still determining the total construction cost and anticipating the need for additional funds.

Because some bids, such as electrical, were excessively high, and considerable time has passed since the initial bids were received, the plan is to re-bid all of the work in February and bring the addition in line with available funding.

Organizers and supporters are encouraging current and former residents and friends of North Rosedale Park to support the campaign. Organizers also are seeking additional financial support from foundations.

Construction on the addition is expected to begin sometime this spring. Once

North Rosedale Park eBlast Newsletter

aka: Rosedale Tattler eBLAST EDITION

This April marked the beginning of the Rosedale Tattler eBLAST EDITION. An electronic newsletter designed to supplement the printed version of the Tattler will be distributed via email. The eBLAST EDITION is not intended to replace the printed Tattler, but to provide vital and interesting news, information and reminders that sometimes miss the Tattler deadline (the 10th of each month). The eBlast should arrive in your email around the 3rd week of each month so as to meet this objective. In order to receive the eBlast you must be on the "list". However, it is really easy to signup for the list by visiting the homepage of the North Rosedale Civic Association at http://NorthRosedalePark.org and pushing the big red subscribe button. Get yourself signed up today so that you

will be in the know! The exception to this requirement is that we have seeded the list with a number of email addresses that we have from our membership roster so your name may be on the list already. If you're not sure you can still push the subscribe button as the same email address will not be signed up twice. If for some reason you do not wish to be subscribed there will be a link at the bottom of each newsletter that may be used to unsubscribe. In case you want to be sure that this newsletter does not fall into your junk mail folder, be sure to just add the newsletter sender to your address book. You are encouraged to send articles for publication to the eBlast editor: eblast@northrosedalepark.org.

Milkman Dead was born shortly after a neighborhood eccentric hurled himself off a rooftop in a vain attempt at flight. For the rest of his life he, too, will be trying to fly. With this brilliantly imagined novel, Toni Morrison transfigures the coming-of-age story as audaciously as Saul Bellow or Gabriel García Márquez. As she follows Milkman from his rustbelt city to the place of his family's origins, Morrison introduces an entire cast of strivers and seeresses, liars and assassins, the inhabitants of a fully realized black world.
