The Rosedale Tattler is a publication of the North Rosedale Park Civic Association. Letter from the President

Homecoming – a word usually associated with fancy dresses, dancing, or College campuses- but in this case we mean to North Rosedale Park.

Two really important, fun and meaningful events will be taking place: one very soon and one in October. In between a new tradition, an old tradition, and some other fun along the way!!!

First, the 85th Annual JUNE DAY – a wonderful day in our neighborhood.

On June 13th our community house & park grounds will be filled with activities for you and your families. The committee, chaired and coordinated by Julie Hacker and Tamara Kamara, is planning a full 13 hour of excitement. Start your day with the 5K walk/run and finish with a delicious dinner, followed by a movie (if you are a young one) or some mellow jazz (if you are an older soul). For more information, see related articles.

Look out for **Youth Soccer sign-up** from 10am-12pm and an opportunity to get free tickets to a Detroit Football League soccer game complete with a bus to the event!!!

Also- stop by the NRPCA table to **VOTE ON A NEW ROSE LOGO!!!** We're freshening it up and we need your input!

Second, HOMECOMING WEEKEND- October 16, 17, and 18th.

We are planning 3 days of events to showcase improvements to our community house. We hope to celebrate the completion of phase one for our capital campaign, while continuing much needed fundraising for the community operations. More detail will follow. A committee of your friends and neighbors are organizing a donor & volunteer recognition event Friday night, a fabulous reverse raffle & silent auction Saturday night, and a brunch with music preceding a community house tour for Sunday afternoon. Join us and **Mark your calendars NOW for a**

fabulous weekend.

The new: This Summer, we are excited to announce a **Community River Cruise on August 16th.** Tickets (\$25.00) will be available at the at the community house or by emailing Cheryl Davis at davis1125@sbcglobal.net. For your convenience, tickets will be sold at NRPCA's table on June Day. What a nice way to cool off in August!!

The old: Our Steak Roast/Harvest Festival is just around the corner- Friday, September 11th. We will have steak & salmon, entertainment, and friendship on the menu. Look for more information in the July and August Tattlers.

Other fun in between:

Northwest Detroit Farmers Market approaches fast, opening June 4 at 4 pm – stop by every Thursday for local produce, cooking demos, crafts and health screenings. Starting this season, Detroit Farm and Garden will have their very own tent to take orders for mulch and dirt. We're also looking forward to our annual tomato plant sale and perennial exchange. Can anyone say, Garden Club?!

Please also stop by to see the new, fresher Community House-it is amazing what a touch of paint can do. We've also upgraded our electrical and lowered our Sunday rental rates. If you're interested in our renewed, beautified Community House- please Call (313) 837-3416. **We await the new addition and anticipate renovations to start very soon.**

So, See you around The Park...enjoy it all...and please, if you can, remember to pay your dues.

COMMUNITY HOUSE RENOVATIONS AND ADDITION CONSTRUCTION UNDERWAY

By Rose Love

The transformation of the North Rosedale Park Community House is finally underway. In May, renovations to the main hall, lobby and balcony began, while crews started preparations for construction of the 2300-square-foot addition.

The construction and renovations are part of The Legacy Project of North Rosedale Park, a strategic plan that was developed three years ago to renovate the Community House and surrounding grounds and enhance programming.

Those entering the Community House will see the improvements immediately. So far, the lobby, main hall and balcony have received a fresh coat of paint, and electrical work in the kitchen has been completed. Next up is the installation of acoustical panels in the Main Hall, new wall treatments to enhance the hall's appearance and improvements to the sound system. Lastly, the floor will be refinished. Funding for these renovations is coming from a \$24,000 grant from the Michigan Council for Arts and Culture, matched by campaign funds.

Outside, crews removed trees, patio bricks and the AC units to make way for construction, preliminary to plans being approved by the city of Detroit.

Construction on the addition is expected to be completed by Labor Day and shouldn't affect the baseball or soccer leagues or the Farmers' Market, organizers say. Once construction begins, the focus then will turn to raising funds to complete Phase Two.

Since The Legacy Project began, over 300 individuals, foundations and companies have pledged \$546,000 to

support the effort, in addition to city and state funding. Construction of the addition itself is expected to cost \$500,000.

Watch for Legacy Project updates in the North Rosedale e-blast or on the NRPCA Web site at <http://www.nrPCA.org>.

There is still time for you to join the effort. Go online to <http://www.nrPCA.org/the-legacy-project/> to donate and for more information.

Join us for the 10th Anniversary Season of the Northwest Detroit Farmers' Market!

The Grandmont Rosedale Development Corporation established the Northwest Detroit Farmers' Market ten years ago in order to improve local access to healthy food options. Since then, the market has grown into a robust community hub offering not only fresh, locally grown Michigan produce and specialty products but also offers free programming for all ages and a community "living room".

The 2015 market season kicks off on June 4th and runs until October 1st, every Thursday from 4-8pm located on the grounds of the North Rosedale Park Community House, 18445 Scarsdale St. The Northwest Detroit Farmers' Market offers fresh, locally grown Michigan produce, specialty products

and locally prepared food. This year the market will host free health screenings, cooking demonstrations, food preservation workshops, woodworking classes for youth, yoga in the park, chili cook-offs and more!

So, grab some fresh ingredients to cook for dinner from our new and returning vendors or, don't forget—you can also grab a bite to eat at the market from one of our food trucks! We hope to see you there!

Pages Bookshop Opens on Grand River

By Kathy Garrett

Susan Murphy had searched for over a year for a commercial property in Northwest Detroit. She had had a successful pop-up month on Livernois and was ready to find a permanent home for her Pages Bookshop. After a year of looking and finding nothing workable, Susan finally talked to Tom Goddeeris, GRDC's Executive Director. Tom showed Susan the recently renovated property at 19560 Grand River in North Rosedale Park, and Susan knew she had found the perfect place for her bookstore. "I feel very fortunate to get a GRDC building," Susan says. "It's a sound, beautifully renovated building and Tom really knows the building. He answered every question I had." After she signed the lease in January, Susan was at first numb. It had taken her so long to find a building she couldn't quite believe that her search was finally over. And then she started to get really excited about her bookstore.

The Pages Bookshop spent several months occupying a corner in Amanda Brewington's Always Brewing Detroit coffee shop

which allowed Susan to get to know the Grandmont Rosedale community. "I am very grateful to Amanda for letting me hang out at her coffee shop. I got to know the community, which will help me carry the titles people want to read. I have found this community to be supportive and tight-knit – and there are a lot of readers here." You could say she found the perfect spot.

Pages Bookshop opened in early May, and it specializes in fiction for readers of all ages. In her new space, Susan plans to expand her selection to include thrillers, science fiction and fantasy. Susan has also always carried memoirs, biographies and Detroit based books. Susan also has already hosted community events, author signings and talks, and hopes that Pages will become a place for customers to just sit and read. Book Clubs are of particular interest to Susan. Not only would she love to hear what your book club is reading, she'd love to carry a book on your reading list for a 15% discount to book club members. The Pages Bookshop website at pagesbookshop.com

pagesbookshop.com provides an opportunity for readers to hear others' reviews of books and to submit their own reviews. If Susan carries a particular book in her store, you can provide a review that customers in the store can read as they shop for what to read next. The [pagesbookshoppedetroit](https://www.facebook.com/pagesbookshoppedetroit) Facebook page is another great place to read about what people are reading. Pages Bookshop is open Mon., Tues., and Wed. 10 am - 6 pm, Th. From 10 am - 8 pm, and Fri., and Sat. 10 am - 6 pm. Susan is open to any and all ideas of what books to carry. Whatever your interests, whether you're 5 or 95, Susan wants to hear what books you find interesting.

I Book Club

Folksy and fresh, endearing and affecting, Fried Green Tomatoes at the Whistle Stop Cafe is the now-classic novel of two women in the 1980s; of gray-headed Mrs. Threadgoode telling her life story to Evelyn, who is in the sad slump of middle age. The tale she tells is also of two women--of the irrepressibly daredevilish tomboy Idgie and her friend Ruth--who back in the thirties ran a little place in Whistle Stop, Alabama, a Southern kind of Cafe Wobegon offering good barbecue and good coffee and all kinds of love and laughter; even an occasional murder. And as the past unfolds, the present--for Evelyn and for us--will never be quite the same again...

North Rosedale Park eBlast Newsletter

aka: Rosedale Tattler eBLAST EDITION

Last year marked the beginning of the Rosedale Tattler eBLAST EDITION. An electronic newsletter designed to supplement the printed version of the Tattler will be distributed via email. The eBLAST EDITION is not intended to replace the printed Tattler, but to provide vital and interesting news, information and reminders that sometimes miss the Tattler deadline (the 10th of each month). The eBlast should arrive in your email around the 3rd week of each month so as to meet this objective. In order to receive the eBlast you must be on the "list". However, it is really easy to sign up for the list by visiting the homepage of the North Rosedale Civic Association at <http://NorthRosedalePark.org> and pushing the big red subscribe button. Get yourself signed up today so that you

will be in the know! The exception to this requirement is that we have seeded the list with a number of email addresses that we have from our membership roster so your name may be on the list already. If you're not sure, you can still push the subscribe button as the same email address will not be signed up twice. If for some reason you do not wish to be subscribed, there will be a link at the bottom of each newsletter that may be used to unsubscribe. In case you want to be sure that this newsletter does not fall into your junk mail folder, be sure to just add the newsletter sender to your address book. You are encouraged to send articles for publication to the eBlast editor: cneblett@grandmontrosedale.com.
