The Rosedale Tattler is a publication of the North Rosedale Park Civic Association. Letter from President Hubert Sawyers III

When was the last time you took a walk through the neighborhood?

If you are a weakling like me, it was likely late fall. Thinking about having stayed inside so long makes me feel weird. Part of me feels like I have missed something.

There is a nuanced layer of understanding one can get when he or she takes a stroll around their surroundings. Not to mention, it is prudent to stay active and curious.

In this month's letter, I want to share some recent stories from my local travels. Granted, walking was not a part of the latest experiences, but my "feet [were] on the ground." I expect these stories will be connected to an even more active me

In late March, I had the good fortune to attend the block captains meeting, led by the amazing **Clarenda Webb**. The block captains meeting was attended by a committed group of neighbors who seek resources to help improve the quality of life in our neighborhood. Standout attendees of this meeting, to me, were people like code enforcement committee chair, **Beverly Frederick**, and 46-year North Rosedale resident, **Charles Weidendorf**.

Beverly is organizing a new members dinner on June 3rd. It will be open to all new neighbors, regardless if they are a member of the North Rosedale Park Civic Association or not. This is awesome, by the way. Block captains like Beverly realize that in order for NRPCA to reach its goals, we need to stay curious about our neighbors, reach out, and connect with them.

Charles Weidendorf was the other standout attendee for me, because I've driven past his house easily 200+ times and never knew who lived in the house on a certain corner of Outer Drive. Having a chance to put a name to a face made me so happy, because it filled one more story in this novel I call North Rosedale Park. If you are reading this, Charles, I hope you will consider joining me for a cup of coffee or tea. I'm sure you have excellent neighborhood stories to tell. Maybe I can document a few, then the share with the rest of our neighbors.

In April, we had our general membership meeting. To be honest, it was not well attended. As president, I feel responsible for the lack of communication about the general membership meeting.

I promise for the next one, there will be no reason enable not know about it. Yet, for those who were not there, get excited about being able to walk to Northwest Detroit Farmers Market, which will be held on our park grounds.

Before I let you go, I also want to acknowledge some of my great neighbors who support me in unique ways in being president.

Colossal thanks to my next door neighbor, **Susan Steigerwalt**. She is my quasi-chief-of-staff, but she is so much more than that. Thank you Susan you are the best neighbor a man could have.

Next, I want to highlight **Bob Kravutske** and **Caroline Landrum**. You guys are great I just want you to know that. Bob, maybe you can set up the coffee gathering with Charles. He seems to know you. ;-)

In summary, to truly get to know this neighborhood and the people in it is to actually get outside with your feet on the ground and take a walk. Walking has so many benefits, but it also casts certain signals. We don't think about it, but when people see others walking, it makes them feel it is a good idea, and safe, for them to walk. I know I benefit greatly from both sides of the window.

If you want to go for a stroll together, just email me at President@NorthRosedalePark.org.

So seriously, this spring and summer, I want to see more of us out walking. While you are at it, make sure you take some time to smile and say hello to a fellow walker or even a person tending to their yard.

P.S. If you are interested in walking more and prefer to do it with others, then you need to speak with Gloria Goodwine. She organizes our Walk in the Park program and is always looking for new walkers. Call her today at 313.971.3990.

P.P.S. Gargantuan thanks to my lovely Mother, Rosie Marie Sawyers, and her crack team of volunteers on their work on the Park Players NRPCA benefit performance of Guys and Dolls. You helped us raise over \$1000 and we thank you.

Road Trip to the Birmingham Community House

Last Tuesday Cheryl Buswell, Past President of NRPCA; Sheariah Boswell Howard, Program Manager; Jessica Bickman, Program Organizer; and myself took a road trip.

We visited the Birmingham Community House and met Brett Nickolson, their Director of Human Services. It was quite an eye opener experience.

They were established 90 years ago and have grown into a state of the art Community House.

The booklet that we received listed over forty pages of programs and activities that they host on a monthly basis. Just like our Community House they also rent it out for weddings, business meetings and other events. They have in house catering service. We tried not to drop our mouths open too much, but it was pretty hard.

We are in the midst of a Capitol Campaign to renovate and expand our own Community House. We saw first hand what committed neighbors can do.

They get grants and donations like we do, and lots of endowments, but what they have in spades is committed neighbors that believe in it and support it.

I truly believe after living here over 30 years that we could do this too. You start by paying your dues, believing the dream, and supporting the Capitol Campaign.

What's Next?

By Roger Loeb

The Park Players Board has tentatively set the 2014-2015 schedule. For our fall production, we expect to produce *Alice Through the Looking-Glass*. This portion of Lewis Carroll's classic Alice in Wonderland series was adapted for the stage by James Reaney. It was originally commissioned by the Stratford Festival Foundation in Ontario, Canada. In this phase of her adventures, Alice climbs through her living room mirror and meets up with such familiar characters as Tweedledee and Tweedledum, Humpty Dumpty, the March Hare, the Walrus and the Carpenter, the frightful Jabberwock, and the haughty Red Queen. While a family-friendly show, if you are familiar with the book, you know that it is also a highly sophisticated satire clearly aimed at adults. Auditions will be held on Wednesday, Sept. 3 and Sunday, Sept. 7. Come back to this column for additional

details in future months or visit our blog at <http://parkplayers.wordpress.com/>

In the spring of 2015, the plan is to present *The Addams Family*. The musical version of the lovably ghoulish family is based on the original Charles Addams cartoons. The production debuted on Broadway in April 2010, but it was substantially modified before venturing out on its highly-successful national tour. Again, look for further information in upcoming Tattlers.

Park Players will celebrate the end of their 2013-2014 season with its annual end-of-year picnic on Sunday, June 8, at the North Rosedale Park Community House. Thanks to all who participated in any way, for making this another wonderful year for our group and for our neighborhood. Below is the cast photo from last month's production of *Guys and*

Dolls. We couldn't have done it without the dedicated work of our producers, George & Sally Evalt, the actors, the musicians and all the people behind the scenes who commit countless hours to make these productions possible.

Residents to Hear More about Legacy Project Through Expanded Outreach Effort

By Rose Love

Over the next several months, residents of North Rosedale Park will get a chance to invest in their community by supporting efforts to renovate the Community House and surrounding park, as the Legacy Project of North Rosedale Park moves to a broad-based campaign.

Residents will see and hear more about the Legacy Project in the coming months, as brochures with details about the project are mailed to each household. Signs displaying the rendering of the renovated Community House, showcasing a 3000-square-foot addition, will be installed on the grounds. An updated Web site will be launched allowing individuals to contribute to the effort online.

For more than a year, leaders and supporters have worked behind the scenes sharing the Legacy Project with potential major donors and applying for foundation and government grants.

Their efforts have resulted in \$539,275 being raised to date. The target for phase one is \$750,000.

Earlier this year, the NRPCA board approved a master plan for the Community House and grounds. Phase one of the plan includes a new lobby, handicap-accessible entrances and restrooms, larger office, and electrical upgrades and Wi-Fi installation.

As fundraising efforts continue, Legacy Project leaders are hoping for Board

approval in May on the hiring of a pre-construction manager and are working towards a September groundbreaking.

Invest in a Community. Impact a City. Join the Legacy Project Today!!!

For more information on the Legacy Project or to make a pledge, go to the NRPCA Web site at www.northrosedalepark.org or contact Marsha Bruhn at (313) 400-1192 or via email at marshabruhn@yahoo.com.

What is the Legacy Project of North Rosedale Park?

For nearly 75 years, the North Rosedale Community House and the seven-acre park surrounding it have been the focal point of our community. As with any building, time has taken its toll on the Community House. In order to address many of structural problems and the need to update the facility, the Legacy Project of North Rosedale Park was created. Funds raised will correct structural problems -- sinking floor, electrical and plumbing issues, and handicap accessibility -- and enhance activities by creating a new lobby, expanding the parking lot, installing additional lighting, and renovating the patio.

Since last year a group of residents of the five Grandmont Rosedale neighborhoods have been meeting, networking and researching the possibility of reconfiguring traffic patterns like Palmer Woods has done. This Traffic Calming Work Group has put together a timeline of all the tasks that need to be done. So far we are right on track.

Take Your Traffic Calming Survey!

Come hear plans for traffic calming in our community

Our first public Traffic Calming Community Wide Meeting of residents from all five communities, North Rosedale Park, Rosedale Park, Minock Park, Grandmont and Grandmont #1 will be held on Tuesday, May 27th at 7pm at the Community House 18445 Scarsdale.

In preparation for the meeting, all residents in each neighborhood are asked to fill out a Traffic Survey at <https://www.surveymonkey.com/s/2FNDQL8> Also if you prefer, you can also fill out the survey at the Community House. Paper surveys will be available in the lobby on the bar.

Residents will be asked for their opinions many times during the course of the project to determine major problem streets and major traffic and safety issues. Nothing will be permanently implemented without

real world temporary testing with your feedback. In about two weeks, all of the surveys will be analyzed by neighborhood, collated together and then analyzed as a group by Wayne State traffic professionals.

By May 27th, we will have a preliminary report to share with you at the Community Wide Meeting. Please put the date on your calendar.

SPECIAL ASSESSMENT DISTRICT ORDINANCE GOES TO CITY COUNCIL

As of this writing (mid-April), Detroit City Council is set to consider adoption of an ordinance that would allow for the creation of a Special Assessment District (SAD) in our community to support an increase in neighborhood security and snow removal services. These funds would be controlled by our community to benefit our community.

To check the current status of the ordinance, visit the GRDC website at www.grandmontrosedale.com or www.mygrandmonStrosedale.org.

Once an ordinance is adopted by City Council and approved by the Emergency Manager, attention will shift to implementing a Special Assessment District in Grandmont Rosedale. To create a SAD in our area, we will need to collect the signatures of 51% or more of property owners on a petition. This will require an enormous organizing effort and help will be needed from dozens of volunteers.

Locally, this effort is being spearheaded by a Task Force representing each of the five Grandmont Rosedale neighborhood associations and GRDC. Currently, the Task Force is seeking new representatives from the Grandmont 1 and Minock Park neighborhoods. If you are interested in joining this Task Force or volunteering in any way to support a campaign to establish a Special Assessment District in our community, contact Karen Johnson Moore, Community Security Program Manager, at kmoore@grandmontrosedale.com or 313-387-4732 ext. 110.

NEIGHBORHOOD SAFETY MEETING

Want to learn more about blight violations and code enforcement? Then join us for the next Neighborhood Safety Meeting **Thursday, May 22nd at 6:30pm** at the North Rosedale Park Community House, 18445 Scarsdale. North Rosedale Park eBlast Newsletter

aka: Rosedale Tattler eBLAST EDITION

This April marked the beginning of the **Rosedale Tattler eBLAST EDITION**. An electronic newsletter designed to supplement the printed version of the Tattler will be distributed via email. The eBLAST EDITION is not intended to replace the printed Tattler, but to provide vital and interesting news, information and reminders that sometimes miss the Tattler deadline (the 10th of each month). The eBlast should arrive in your email around the 3rd week of each month so as to meet this objective. In order to receive the eBlast **you must be on the "list"**. However, it is really easy to signup for the list by visiting the homepage of the North Rosedale Civic Association at <http://NorthRosedalePark.org> and pushing the big red subscribe button. **Get yourself signed up today so**

that you will be in the know! The exception to this requirement is that we have seeded the list with a number of email addresses that we have from our membership roster so your name may be on the list already. If you're not sure you can still push the subscribe button as the same email address will not be signed up twice. If for some reason you do not wish to be subscribed there will be a link at the bottom of each newsletter that may be used to unsubscribe. In case you want to be sure that this newsletter does not fall into your junk mail folder, be sure to just add the newsletter sender to your address book. You are encouraged to send articles for publication to the eBlast editor: ebblast@northrosedalepark.org.
