The Rosedale Tattler is a publication of the North Rosedale Park Civic Association. Established in 1924, the North Rosedale Park Civic Association is a community organization that promotes the interests and welfare of North Rosedale Park residents, maintains park facilities for community use, advocates for necessary public improvements, and enforces building restrictions and ordinances within North Rosedale Park.

Letter from the President

Yes, it is finally spring!

I love seeing the kids on their bikes, baseball players practicing on the Park baseball diamond, and neighbors cleaning up and interacting after a long cold winter. This is what our community, our neighborhood is all about. A big part of what makes and keeps our neighborhood so neighborly is our North Rosedale Park Civic Association. The NRPCA not only maintains our one and only Detroit community-owned Community House, the NRPCA also provides a wide range of activities. There is sure to be something of interest for every neighbor.

Here is what your membership in the NRPCA has done and has planned:

- We hosted a wonderfully successful free to the children Easter Egg hunt for little ones 10 and under.
- During a blinding rainstorm on April 9 a loyal group of community members heard a presentation about rain gardens and then an update on the renovations to our Community House and the Capital Campaign. The Opening Day for the Rosedale Grandmont Little League took place Saturday, April 25. Players arrived in their fresh, new uniforms and marched through the neighborhood. Then the players and their families gathered in our Community House for a Pancake Breakfast getting pumped up for the new season.
- The NRPCA has a new, fabulous, user-friendly website, nrpca.org, that gives information on activities at the Community House, upcoming community events, allows donations to the NRPCA and to our subsidiary, the Legacy Fund (Capital Campaign) with the click of a button using your credit card and even provides the option to pay your membership dues on a monthly or quarterly basis.
- Former resident Josh White, Jr. will have a concert at the Community House on May 2 at 7 pm. Call 248-320-6089 to get your tickets!
- As a community, we have reserved several tickets for the May 23 at 4 pm Tiger Game! Call 313-532-4428 to get your tickets!
- The Northwest Detroit Farmers' Market will kick off its 10th

season Thursday, June 4 (see article) in the Community House parking lot. The Farmers' Market will be there every Thursday from 4 - 8pm until October 1. It's a great place to buy local, fresh produce, grab dinner from a food truck, and just hang out under our wonderful oak tree and catch up with your neighbors! We hope to have a perennial exchange and Tomato Plant Sale too. There's even talk of starting a Garden Club!

- June Day is June 13! Get your block together and make a float for the 11am parade! Get ready to run in the Run for the Roses at 8 am! Have lunch at the Rosedale Café! Try your skills at the midway games! Shop the vendors! Surely there's something for everyone at June Day!

All this activity, while a joy to participate in, doesn't happen accidentally – it is all about hard work and community involvement. So please, as you are enjoying these activities, (or dreaming up new ideas), give an hour to your neighborhood and get involved in something that matters to you. Your NRPCA board and your neighbors will thank you for it, and you will have the pride that comes from being a good citizen – an important member of North Rosedale Park. Now I'm off to talk a walk through our beautiful neighborhood. There's no place like North Rosedale Park in the spring! p.s.: Check out our new website at nrpca.org and pay your membership dues online! Thanks!

HOT OFF THE PRESS: OUR MWF 5:30 PM walking group Leader, Gloria Goodwine, won a \$2,000 grant to extend the walking group. Our celebration/ Kickoff, complete with dignitaries in tennis shoes, will take place at 530 PM Monday, May 11-JOIN US!!!!

Jordyn and Leeah Burr, Track Stars and North Rosedale Park Residents

By Kathy Garrett

Both Jordyn and Leeah Burr are a bit shy about their accomplishments in track and field, but once they bring out their medals, plaques, patches and trophies, it becomes pretty difficult to understate just how good – or fast – they are. Jordyn is 6 years old and has set national records in the 60 yard dash, the 200 meter dash and the 400 meter dash. While Leeah, age 10, did not set a national record (yet), she did take second in the 60 meter dash, and third in the 200 meter dash. However, one very important detail needs to be added: Leeah ran against athletes who were three years older than her. While this may not seem like a big age difference, it is when one is 5 years old! When she was 5, Jordyn tagged along to her sister Leeah's track practice, and, like a lot of kids would, Jordyn didn't want to watch, she wanted to practice too. Leeah's coach took one look at Jordyn and asked the girls' mother, Toria Burr if she'd consider letting Jordyn join the team.

Both have competed in the Junior Olympics and run track just about year round. The girls travel both within and outside of Michigan to compete. Such a schedule is a lot to demand of a 6 and 10 year old, but for the Burr girls, it's

worth it. "It's fun," says Leeah, "I like beating my own time." There was a time when Leeah was on a cheerleading team. At the end of cheer season, a friend of her dad's mentioned that the Police Athletic League, or PAL, had a track and field team and that Leeah might want to try that out. She gave it a shot and was done with cheer. "It's interesting and fun," Leeah says. In school, the girls' classmates are hesitant to race against either one of them at recess. Jordyn offers a shy smile when she reveals the reason why the kids are her school think twice before racing against her: "They've seen me run." They both are more than a little please that even their 14 year old football player brother can't beat them in a race. At a meet in Belleville, Jordyn immediately drew the attention of the announcer who shouted "She shot out of there like a cannon!" At the end of the race, local TV crews and a reporter approached Jordyn for a quick post-race interview.

Whether near or far, people are beginning to hear about the Burr girls and their natural ability on the track. Soon they will once again head to Eastern Michigan University for the District Qualifiers which will be the

first step in their probable return to the Junior Olympics which will be held this year in Norfolk, Virginia. Whatever their future, for now North Rosedale Park is their home. Along with their school and track activities, the girls also deliver North Rosedale Park's newsletter The Tattler, but you have to look quick – these girls can fly!

NRPCA & Grandmont-Rosedale Communities Annual Easter Egg Hunt: An Amazing Success!

On Saturday, April 5th, 2015, more than 200 children, parents, pets and the Easter Bunny himself, converged on the Rosedale Community House. It was a sight to see so many smiles, and happy faces of children excited by a Petting Zoo with rabbits, goats, turkeys, and a llama too. Children and their parents were amazed by all of the activities packed into one event including face painting, crafts, sack races with prizes and a candy filled piñata donated by McDonald's, more than 2000 eggs scattered throughout the lawn for children ages 1-10, and pizza, cookies, apple slices, punch and more!

The day was filled with a myriad of opportunities to create memories that will last a lifetime and remain in the hearts of our children forever. The event spearheaded by **Honorary Chair & Signature**

Sponsor Deborah Virgiles, McDonald's Owner & Operator, a committee of Co-Chairs including: **Vicki Holmes** (Activities), **Lois Drafts** (Crafts), **Gloria Goodwine** (Decorations), and **Judy Barkey & Beverly Frederick** (Egg Stuffing & Party), proved the power of community uniting to ensure our children come first is unstoppable!

Rep. Sherry Gay-Dagnogo, was joined by Signature Sponsors **Susan Steigerwalt**, President NRPCA, Signature Sponsor & Co-Chair **Senator David Knezek**, and Co-Chair **Councilman James Tate** in anchoring this event! However, donations and volunteers from residents from all five communities were the linchpin to our success!

Daniel Black's Perfect Peace is the heartbreaking portrait of a large, rural southern family's attempt to grapple with their mother's desperate decision to make her newborn son into the daughter she will never have...

When the seventh child of the Peace family, named Perfect, turns eight, her mother Emma Jean tells her bewildered daughter, "You was born a boy. I made you a girl. But that ain't what you was supposed to be. So, from now on, you gon' be a boy. It'll be a little strange at first, but you'll get used to it, and this'll be over after while." From this point forward, his life becomes a bizarre kaleidoscope of events. Meanwhile, the Peace family is forced to question everything they thought they knew about gender, sexuality, unconditional love, and fulfillment.

North Rosedale Park eBlast Newsletter

aka: Rosedale Tattler eBLAST EDITION

Last year marked the beginning of the Rosedale Tattler eBLAST EDITION. An electronic newsletter designed to supplement the printed version of the Tattler will be distributed via email. The eBLAST EDITION is not intended to replace the printed Tattler, but to provide vital and interesting news, information and reminders that sometimes miss the Tattler deadline (the 10th of each month). The eBlast should arrive in your email around the 3rd week of each month so as to meet this objective. In order to receive the eBlast you must be on the "list". However, it is really easy to sign up for the list by visiting the homepage of the North Rosedale Civic Association at <http://NorthRosedalePark.org> and pushing the big red subscribe button. Get yourself signed up today so that you

will be in the know! The exception to this requirement is that we have seeded the list with a number of email addresses that we have from our membership roster so your name may be on the list already. If you're not sure, you can still push the subscribe button as the same email address will not be signed up twice. If for some reason you do not wish to be subscribed, there will be a link at the bottom of each newsletter that may be used to unsubscribe. In case you want to be sure that this newsletter does not fall into your junk mail folder, be sure to just add the newsletter sender to your address book. You are encouraged to send articles for publication to the eBlast editor: cneblett@grandmontrosedale.com.

Thank You to All Who Donated to the Benefit Performance of "The Addams Family"

Once again North Rosedale Park residents came out to support their North Rosedale Park Civic Association. The combined total from the March 20 ticket proceeds and the 50/50 raffle came to over \$1000! The NRPCA is responsible for everything from paying the electrical bills at the Community House to making sure the family fun of June Day continues, so the need is great! The benefit performance of "The Addams Family" is one of the many ways the NRPCA gathers the community not just to raise funds, but also to celebrate North Rosedale Park as a wonderful place to live. The NRPCA Board of Directors would like to thank the following people for their generous donations of time, money and/or food to the benefit:
