# Letter from the President

## *Hello Neighbors!!*

Sometimes I ponder man's inhumanity to man. Recent incidences in our country and the world challenge us to dig deep to find compassion, and forgiveness for the unthinkable. But let us take comfort in the care and love we have for one another and our community and use that experience as an example of what can be and what we hold close and dear.

We started the month of June with the New Neighbor Meet & Greet. Thank you **Clarenda Webb**, **NRPCA Block Captains** and Board member **Beverly Frederick** for coordinating such a lovely and delicious brunch. It was a great pleasure meeting so many wonderful new neighbors and soon to be friends.

I am really appreciative of the work recently accomplished by our June Day committee Chair, **Julie Hacker**, and committee members: **Carolyn Akpe, Jen Janke, Tamara Kamara, Judy Barkey, Leslie Vaughn, Amy Good, Beverly Frederick, John Gumbel, and Mary Davis**. And thank you times a thousand for all the volunteers who stepped up and came out in 90+ degree weather to lend a hand. We had an incredible crew who set things up on Friday; and an awesome crew of teens that broke things down at the end. A special Shout out to **James Mallory** for supplying and manning the sound system all day and to **Michael Matrescu** for his help on all the miscellaneous tasks and a big thank you to **Susan Steigerwalt** for running the Past President's Raffle.

The fun run/walk, parade (thank you Grand Marshals, NRPCA Past Presidents, Cooke Cheerleaders, girl scouts, drivers, bikers, and mutt walkers, NRPCA Board Members, Detroit Police and Fire Department), opening ceremony, midway games, arts and crafts, field games, pony rides, Millennium Steel Band, Youth Talent Show, Djallo Jazz Trio and showing of "Zootopia" made for a full day (see photos).

And what a surprise it was to see our senior statesman, Congressman John Conyers just in time to join Mayor Mike Duggan and our Grand Marshals on stage for the opening ceremony where they shared welcoming messages and received their keys to the park. It was a great day for NRPCA to enjoy the presence of so many of our esteemed elected officials. It says a lot about their concern for our corner of Detroit and the importance they place on our stability, well-being and role in the future of the city.

Again, my gratitude is extended to all who helped out and all who participated in any fashion. Formal acknowledgement of volunteers is forthcoming. It was great seeing you all. I hope you enjoyed the day as much as I did!!!!

What we know is that there is strength in numbers. We have 1700

households and I wish that all of you can find something you enjoy or something you can connect to in our neighborhood that motivates you to participate, volunteer, donate, be a block club captain, pay your dues, maintain a flower bed, patch the potholes in the driveway at the community house (thank you **Roland Breech, Tony Gouch, Richard Castillo and Bruce Abe**), or step up in a way you see fitting. If you see a problem, ask to be a part of the solution. As an example, a group of parents raised concerns about the condition of the playground and are now forming a team to help maintain the area. Funds were received to put down much needed mulch and fundraising is continuing to pay for repairs and ongoing maintenance expenses.

**NEXT UP!! There is something for everyone in the list below!! Come; take advantage of these great activities. Bring your family, a friend or a neighbor!!!**

Friday, July 15th – The **Grandmont Rosedale Young Professionals** will be hosting the "**Kick Off**." More details about this event can be found within the Tattler.

TBD July – We will have **Family Movie Night** at the Community House. Join us for what we hope will be ongoing activities the entire family can enjoy!! ( Check the Eblast for details)

TBD July – **Green Infrastructure Installation** – through a generous donation from the Erb Family Foundation, we will be planting a bioswale or vegetated swale at the Community House. A bioswale is a depression which holds and infiltrates rain/storm water into the ground keeping it out of our aging and overburdened storm drains. Native plants, which have deep root systems and which tolerate our drought and rainy weather patterns, are planted in the depression so that the area is attractive as well as useful as a storm water management technique. This "green" versus grey (pipes) infrastructure technique is a less expensive alternative to managing stormwater runoff from roofs, driveways or parking lots. Volunteers are needed. Please email me if you are interested in learning more and/or helping. My email address is [vcd21@aol.com](mailto:vcd21@aol.com)

Sunday, August 14th – **Diamond Jack River Boat Cruise** – last year we had a sellout crowd. Don't wait!! Get your tickets today!!!

**SAVE THE DATE: September 9th, Annual Steak Roast!!!!**

**THANK YOU NEIGHBORS!!! BLESSINGS AND WELL WISHES!!  
SEE YOU AROUND THE PARK!!!**

## June Day 2016 Kids Talent Show

June Day, 2016 was a fun filled, super charged resounding success. Among the many activities the Kids Talent Show was a hit with parents and children alike!

More than 20 elementary, middle school and high school children were scouted and performed a wide range of talents for the crowd. Talents included gymnastics, singing, dancing, beatboxing and more. All to the dj stylings of our own resident and NRPCA member James Mallory.

While every act was fantastic, three winners had to be chosen from the group. James the Beatboxing Cass Technician took First Place by applause. Second place went to brothers Michael and Marquis, who performed amazing feats with perfectly timed gymnastics. Third place was a group of young ladies (Janelle, Eva and Jaleah) who danced to the popular song "hit the Quan". An honorable mention goes to Nyla the gymnast, she was a very close fourth place but missed winning by a fraction of a point.

Special thanks to Rahmya Trewern (Teen Council President) who introduced each contestant. Also, fellow council members Matthew Jones (Vice President) and Aryanna Dorsey (Recording Secretary) made sure every kid had their time to shine! None of any of this could've happen without our three esteemed judges; NRPCA Vice President Richard

Castillo, President of the Park Players Carly Matkovich and resident Fire Fighter Gary Dorsey, Jr.

The June Day Kids Talent Show will be a yearly event and permanent addition to the annual fun.

**Meetings Dates - July 3rd,  
July 16th & July 24th**

Teen Council is the North Rosedale Park Civic Association's newest group and is taking the park by storm. The sub-committee of Engagement was organized to give high schoolers (ages 13-18) an opportunity to volunteer within their community. Other benefits of joining the Teen Council are earning community service hours for graduation, meeting other teenagers from the neighborhood, being mentored by the NRPCA Board of Directors, learning leadership and organizational skills while having fun.

The Teen Council is structured as

a teen community with it's own governing group which includes a President, Vice President, Treasurer, Recording Secretary, Public Relations Director, Members-At-Large and Club Representatives. The three main goals of the Teen Council is to increase activities for youth throughout the community, encourage the spirit of volunteerism and strengthen relationships between neighbors. A welcome and positive initiative for all residents.

Since Teen Council's inception in April this year, the members organized

and ran the Chess in The Park Chess Tournament in May, 2016 and the Youth Talent Show at June Day last month. Taking off like a rocket, the teens already are partnering with Grandmont Rosedale Development Corporation (GRDC) to facilitate a Bike Day at the Northwest Farmers Market, July 29, 2016. A worth while event to attend. If you have a teen that would like to be a part of the council and earn community service hours email Kimberly Dorsey at [kimberly@nrpca.org](mailto:kimberly@nrpca.org). Meetings are biweekly and take place at the Community House.

### **Pilates Wednesdays** **North Rosedale Park Community House** **18445 Scarsdale St. • Detroit Michigan 48223 • 5:30 to 6:30pm** **with Lyn Scharret-Certified Pilates Instructor**

Pilates dramatically transforms the way your body looks, feels and performs. This integrated exercise system combines elements from gymnastics, yoga, weight training and breath work to build strength without bulk and create a sleek, toned body. In conventional workouts, weak muscles tend to get weaker and strong muscles tend to get stronger. The result is muscular imbalance-a primary cause of injury and chronic back pain.

Pilates also gives you better body awareness, so all your workouts can be more effective. Since it is a gentle, low-impact form of exercise, it is well suited for most age groups and fitness levels. However, in this Beginner and Intermediate class, you must at least be able to climb the stairs and down off the floor.

## I ♥ Book Club

On April 21, 2016 The Book Club in the Park (BCIP) had the esteemed pleasure of hosting Writer/Director/Producer/Editor and NRP resident Dwight Patillo for a Q & A of his Original Stage Play: **"Last Call at the Conspiracy Lounge"**.

A graduate of Southwest State University in Marshall, MN, Dwight's writing style became prevalent during his senior project. Four years later Patillo headed to Hollywood and began writing music video concepts. He was hired by Dr. Dre and Interscope records to direct a music video from Dr. Dre's "The Chronic" album.

He later turned his energy toward writing and directing videos for NuVue Films and eventually FM Rocks, the second largest video production company in L.A. at the time. Here Patillo worked with video directors like Jada Pinkett, Ken Fox and F. Gary Gray. Patillo also teamed up with Underdog Films headed by Carl Craig, producer of "House Party", "Hollywood Shuffle" and "Players Club". After a year with Craig, Patillo decided to channel his energies toward screenplay writing.

Patillo returned to his home town of Detroit, MI to do an independent feature. Two years and a virtual budget later "Between Friends", an urban drama was written and directed by Patillo.

In 2011 Patillo, with new business partners, formed Showtown Pictures, a multi purpose media company based in Detroit. Their first release was a feature length Comedy entitled, "CornerStore". "CornerStore" enjoyed rave reviews, was the #2 Comedy (per screen avg.) for 3 weeks and the winner at the Detroit/Windsor International Film Festival for Best Comedy for an Indie Film.

His latest accomplishment, "Last Call at the Conspiracy Lounge," is a play that dredges forth some of the most famous people that ever lived and puts them in a bar for a meet and greet. Here, Marilyn Monroe and Abe Lincoln talk with Julius Caesar, Malcolm X and Martin Luther King catch up as comrades still fighting the cause, while Jimmy Hoffa struggles to make sense of what he sees and is comforted by John Lennon. Other greats, Robert and Jack Kennedy, Mahatma Ghandi and Lee Harvey Oswald add their own impressions, filling in important observation.

LC@CL is currently playing at 1515 Broadway in Detroit and is slated to appear in NY.

Thank you Mr. Patillo for an intriguing discussion of this original work! – BCIP's
