# Letter from the President

Greetings, neighbors.

**JUNE DAY:** One of the greatest traditions in North Rosedale is the annual June Day celebration. Always held the 2nd Saturday in June (June 9th this year), families have a great opportunity to welcome the warmer weather, see friends from around the Park and make new friends. North Rosedale residents have been enjoying this tradition for 88 years. There are activities all day long starting with the Fun Run in the morning. Families and block clubs gather for the parade at 10:30 in the morning and we have a collection of costumed walkers with decorated bikes, trucks, and floats parading down Bretton with cheers from the onlookers. If you want to be in the parade, just get your parade outfit or decorated bike together and show up. The games and food start around noon and for very little expense, a family can have a lot of fun and food. A number of the games this year will be free, so all the kids should be able to have a great time. The afternoon of fun will be followed at 4 pm by the 50/50 Past President's Raffle drawing and some clean-up activities before the final event of the day – a 6 pm to 8 pm Family Movie Night in the Community House. As with most of our activities, this is a volunteer operation and can always use an extra hand with operating the games or cooking and serving the food. So, give the June Day Committee a hand and please contact one of the co-chairs (Tamara Kamara [tamarakamara@gmail.com](mailto:tamarakamara@gmail.com) or Chris Krupa [christopher.krupa@yahoo.com](mailto:christopher.krupa@yahoo.com)) today to volunteer. They will appreciate the help and you will have a great time helping this wonderful tradition to continue and watch the kids have a fun and safe afternoon.

**COMMUNITY HOUSE IMPROVEMENTS:** I hope you have had a chance to see the new driveway and parking lot. They look beautiful. We all owe a great deal of thanks to the Marsha Bruhn as chair of the Legacy Project for leading all the efforts it took to finally accomplish this important project for the neighborhood. The entire project cost approximately \$192,000, including site prep, environmental design services, storm water retention research (to lower our drainage fees) and project coordination, plus actual construction. The NRPCA used grant money from two Community Development Block Grants (\$158,000) and from a Michigan Council for Arts and Cultural Affairs grant (\$33,991) and it has to be recognized that without these grants, it would have been a much harder (maybe impossible) to have been able to complete this project at this time. So, thanks again to Marsha, the Capital Campaign Committee that works with her on these various projects and our grantors for their support. Keep tuned for further developments this summer. Work should be starting within the next couple of months to install the new brick plaza (get your engraved brick order in by June 16th) and the Charles McGee sculpture on the south side of the Community House. We also just received a Kresge Foundation grant of \$150,000 to renovate the playground, baseball field, and soccer fields and we hope to have those improvements done later this year.

**Motor City Makeover:** NRPCA participated in the Motor City Makeover efforts on May 5th. The efforts were led by directors Adriane Henry and Theresa Glenn, and our block club dynamic duo, Clarendia Webb and Beverly Frederick. Their efforts were multiplied by other volunteers, including the NRPCA Garden Club and 20 volunteer students from Renaissance High School. A lot of work was done around the community house gardens, on the Southfield Service Drive and Six Mile Road. Many thanks to everyone who helped out!

**Membership:** April was membership month, but we are still looking to increase our dues paying membership to help support all of our efforts to maintain this community and get more people actively involved. Volunteers will be (and have been) going door to door to encourage you to join the Association and pay your 2018 dues of \$75. If you are not home, they will be leaving a door hanger which lists all the activities for the rest of the year and which can be placed on your refrigerator or bulletin board so you don't miss any of these fun events. So, look for that handy calendar and please pay your dues if you haven't done so yet.

**Upcoming Events:** In the summer months, you may want to mark your calendar for the following events:

- Candidates' Night, Monday, June 11 at 7 pm at the Community House – Come and meet the candidates vying to take the place of John Conyers as our U.S. Representative. Your vote in the August primary may decide who will represent us in D.C.
- New Neighbor Meet & Greet, June 27 – if your new to the neighborhood, this friendly get together at the Community House to meet other new neighbors and learn about what goes on in our neighborhood. To make sure you get invited, contact our Membership Secretary, Chelsea Neblett ([chelsea@nrpca.org](mailto:chelsea@nrpca.org)) and let her know you are interested.
- Ice Cream Social, July (exact date to be determined) – this is just for fun, so keep an eye open in the Tattler or the e-blast for further information about this event.
- Rock/Pop/Jazz Concert at the Community House, Saturday, August 11 – this is a first-time event which we hope to repeat if successful. It is being put together by our musically talented director James Martin who will also be playing in one of the groups providing the entertainment. Again, keep your eyes open for further information about how to get tickets and the precise time of the concert. It should be a lot of fun.

Hope to see you around the Park!  
Bill Frey

# 88th Annual North Rosedale Park June Day June 9th

June Day is an annual event in North Rosedale Park that signals the beginning of Summer. Continuously for 88 years neighbors and friends have gathered at the Community House for outdoor fun!

This years June Day will take place on Saturday, June 9th from 8am until 8pm. There are activities for everyone!

Think of it as a small town founders day with activities for children and adults. It is a way for everyone to come together and share in what we all love about our little slice of Detroit - Community! There is a parade through the neighborhood down Bretton where children decorate their bikes (prizes awarded!), blocks have floats (decorating a pickup truck with families in the back is a favorite), and our community partners share in the festivities. The afternoon is filled with outdoor fun with free and low cost activities. Challenge your neighbors in the pie eating contest or sack race! In the evening we will have a free family movie night so everyone can wind down and the kids can stretch out in the Community House floor and watch a movie with their friends.

## PARKING LOT COMPLETED! PLAZA AND PUBLIC ART ARE NEXT!

Thanks to the generous funding by the city of Detroit and the Michigan Council for Arts and Cultural Affairs (MCACA), the Community House has a fully renovated parking lot and circular drive to serve the many thousands of residents and visitors to the site annually. We are grateful to our contractor, TSP, and environmental consultant ECT, for their excellent work on the project, as well as our Owner's Representative, Don Scheible. In addition to providing increased parking, NRPCA can now switch to dumpster service which will considerably lower costs for trash removal.

We are currently seeking recommendations for companies with concrete and paver experience to bid on the plaza construction, planned for this August. Firms with ties to the neighborhood, Detroit-based, and/or minority are encouraged to apply. Contact Marsha Bruhn at 313-400-1192, [marshabruhn@yahoo.com](mailto:marshabruhn@yahoo.com).
